New York, July 29. - Corresponding closely to the quotations sent over from Colo. So. Ist. London, the opening of the market this C. H. C. & I... morning showed only fractional changes Com Gas Com Prod from last night's closing level, but with | D. advances more numerous than declines Dis. in the active list.

For a few minutes prices hesitated at Frie 1st..... about the opening level, and then addraged from the control of the

tion bordering on stagnation prevailed, the total transactions in that period being but little over 24.000 shares. Only by contrast with this gold business be said to be active in the last hour, when, however, there was some improvement in the stage of the contrast with the same improvement in the stage of the contrast with this could business be said to be active in the last hour, when, however, there was some improvement in the stage of the contrast with this could be said to be active in the last hour, when, however, there was some improvement in the stage of the contrast with t volume of dealings, and prices made some St. L. S. W. recovery, the improving tendency continusions, shelfield ing up to the time of closing.

Metal Groups Stronger. In the afternoon Amalgamated Copper, Southern Ry. 1911.

Anaconda, American Smelting and Refining, and other members of the metal Union Pacific...... group were stronger than most other U. S. Pipe stocks on the reported increase in time for copper, and in the last hour the Gould U stocks were conspicuously strong on the stories current about the entry of new Wabash wabash pfd..... interests into these properties. Wash made a considerable gain, fore- Wis. Central.....

shadowing, it was believed, the announcement of a plan to provide for the maturity of the Wheeling and Lake Erle notes, which are guaranteed by Wabash, and a default on which might involve the Baltimore Stock Exchange: serious consequences for the latter road. Wheeling and Lake Erie rose two points, \$100 United Railways fundi and the first and second preferred six and two and a half points, respectively, on a few transactions, the report that the plan of the bankers' association with Mr. Harriman in his various enterprises to provide for the maturity of the notes was the forerunner of an alliance bewas the forerunner of an alliance be-tween the road and the Eric Railroad being generally regarded as not unreason-

Ore Certificates Up.

The Great Northern Ore certificates were again strong, but the reason of their strength was as much of a mystery as in the earlier stages of the rise. Some of the selling attracted attention, as possibly representing liquidation of a part of 8. Car. 458, 2913-183. the holdings of the Union Pacific, but on M. 3a conols, 181 this point there was, of couse, nothing

definite.

London was not a factor in our market, and a larger proportion of the dealings were professional than on any other recent day. The total of transactions was the smallest in two weeks, falling to less than 450,000 shares, but the bond Sha, 1050, sewerage. department was more active than yesterday.

In every quarter a favorable impression of the conditions in the iron and steel of the conditions in the iron and the conditions in the conditions in the conditions in the conditions in the condition

BUSINESS OUTLOOK GOOD.

Southern Railway Officers Get Roseate Reports from South. The conference between President Finley and other executive officers of the Southern Railway, which has been in progress here for several days, has been concluded.

The conference was held primarily for he purpose of discussing business conditions and perfecting plans for moving crops in Southern territory. The opinion expressed by the Southern's officers is Policy of Government Help for the that business conditions generally are improving throughout the Southern States. The agricultural outlook is especially encouraging. The fruit and vegetable crops

ton conference were that the retail trad in the Southern towns has kept up fairly The payment Tuesday of the last of the ing freely, and there has been a depret well, but merchants have not been buy

FINANCIAL.

The Safest Investments

Are those that do not fluctuate during disturbed conditions of the money or stock markets. First deed of trust notes (first mortgages), well secured on real estate in the District of Columbia, constitute "gilt-edge" investments. They do not depend upon the financial responsibility of individuals or corporations for their stability, and viduals or corporations for their stability, and are exempt from taxation as personal property. We can supply such investments in amounts from \$500 upward. Send for booklet, "Concerning Loans and Investments."
